\$[TOTAL]

Supply only. Installation and trade costs are excluded from this section.

COMPLEXITY

[LOW / MODERATE / HIGH]

[] Tile size [] Shower falls [] Niches

KEY COST DRIVERS

Tile choice, layout and detailing affect labour.

Preparation, access and repairs may add costs.

RECOMMENDED TILING BUDGET

\$[RECOMMENDED BUDGET]

Tiling budget only; add the fixtures & fittings total separately.

IMPORTANT

This Cost Check is a planning estimate only, not a quotation or offer to perform works. Actual costs may vary with final measurements, site conditions, location, trades engaged, tile and product selections, availability, preparation, waterproofing, access, demolition, waste removal, design changes and project complexity. Obtain supplier prices and contractor quotations before purchasing or commencing work.
